BARISTA 200

Brew bold, stay compact

Necta

Brew bold, stay compact

enjoy
your
moment

The superior in-cup quality of Necta range, in a compact and versatile format, ideal for smaller locations

Distinctive product attributes

Space-saving versatility

- Installation on a base cabinet for the most compact footprint in the market.

Quick and intuitive user experience

- A sturdy keypad offers 10 intuitive direct selection options. A graphic display ensures seamless interaction, guiding the user during the purchase.
- Visible coffee beans with a transparent hopper, adding visual appeal and emphasising the coffee experience.

Barista wide values

Guaranteed performance

- Proven reliability widely recognized worldwide, making Necta a trusted choice for quality-driven operators.
- Exceptional in-cup quality from our patented Z4000 brewer, available in different versions, to meet everyone's tastes.

Sustainable excellence

- Up to 96% recyclable components and 100% recyclable packaging.
- Sets the standard in the Autocoffee segment with up to A rating per EVA-EMP protocol.
- Industry-leading ESG credentials showcase Evoca's sustainability leadership.
