BARISTA 1000 TOUCH

Smart, high-capacity
with a premium touch

Necta

Evoca Spa reserves the right to change product specifications according to a constantly evolving design policy.

All the technical and aesthetic innovations leading to an exciting user experience and bringing the break to a higher level.

Distinctive product attributes

The largest capacity in the Necta range

- With an extensive range of configurations, it offers the flexibility to serve the most demanding locations, all while delivering the largest cup capacity available.

Quick and intuitive user experience

- A 24” fully customizable user interface improves product attractivity and simplifies the purchasing process.
- Large screen and photographic panels designed for impactful communication and increased engagement.

Digital native

- Integrated connectivity enabling native cloud services to allow remote rebooting and support daily work operations.
- Simple and intuitive programming menu standardized across the entire product range.

Barista wide values

Guaranteed performance

- Proven reliability widely recognized worldwide, making Necta a trusted choice for quality-driven operators.
- Exceptional in-cup quality from our patented Z4000 brewer, available in different versions, to meet everyone’s tastes.

Sustainable excellence

- Designed with bio-circular plastics, up to 96% recyclable components and 100% recyclable packaging.
- Industry-leading ESG credentials showcase Evoca’s sustainability leadership.
