BARISTA 500 CLASSIC

High quality
in the value segment

Necta

High quality in the value segment

A new freestanding machine strong on the primary functions for maximum effectiveness in the reference segment.

Distinctive product attributes

Simplified configuration

- “Nothing less-nothing more” approach, to fully satisfy operators and consumers in reference segment.
- A clean-lined, essential design to fit seamlessly into any location—without compromise on quality.

Quick and intuitive user experience

- A backlitged capacitive keypad offers 20 intuitive direct selection options. A graphic display ensures seamless interaction, guiding the user during the purchase.

Barista wide values

Guaranteed performance

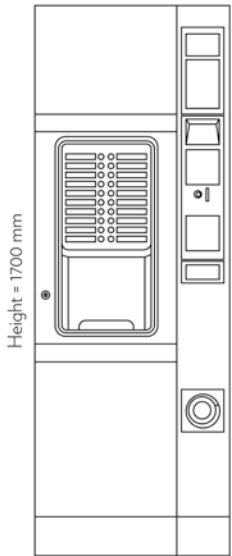

- Establishing a new performance reference for reliability and efficiency, thanks to enhanced components longevity, perfect for quality-focused operators worldwide.
- Exceptional in-cup quality from our patented Z4000 brewer to meet everyone’s tastes.

Sustainable excellence

- Designed with bio-circular plastics, up to 96% recyclable components, a 100% lead-free hydraulic circuit and 100% recyclable packaging.
- Sets the standard in the freestanding segment with up to A+ rating per EVA-EMP protocol.
- Industry-leading ESG credentials and improved carbon footprint (-17%) showcase Evoca’s sustainability leadership.

Technical data & dimensions

- 230 V
- 50 Hz
- 1850 W
- Boiler: 1x0.5 L
- 3/4" BSP [15 mm] mains
- Weight: 110 kg

Depth = 740 mm
Door open = 1250 mm

Width = 600 mm

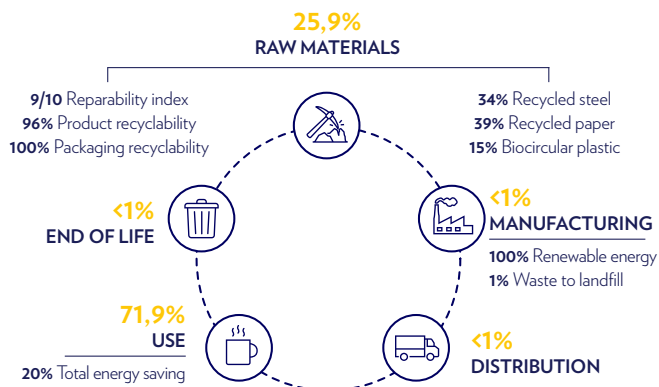

Specifications

- Layout: ES
- Capacitive keypad with 20 selection buttons
- Z4000 coffee brewer
- Cups capacity: 500
- Coffee beans capacity: 3 kg
- Mixer and motor doser with variable speed 24 V
- Up to 4 soluble canisters
- Kickplate (optional)
- 100% lead- free hydraulic circuit

Product carbon footprint scorecard

Carbon footprint

- Per annum: 177 kgCO₂eq
- Cradle to cradle: 2,305 kgCO₂eq
- Cradle to cradle: 14.2gCO₂eq/cup
